## ASA Communities/CSSA & SSSA Divisions of Interest

Each Society offers specialized focused peer networks and information resources. Via the Communities/Divisions of Interest, members present at the Annual Meetings and participate in the business meetings. They may also host listservs and web pages and publish newsletters. As a Community/Division member, you can guide their direction by participating in elections and take advantage of leadership opportunities. You may be a member of any/all ASA Communities/CSSA & SSSA Divisions of Interest, in those Societies in which you hold membership.
