

# Resignations

## Submitting a resignation request

Editors can resign at any time for any reason. If you would like to resign or receive a resign request from another editor, please email [manuscripts@sciencesocieties.org](mailto:manuscripts@sciencesocieties.org) as well as the current editor and managing editor with the following information:

- Full name of the editor
- Effective resignation date

Once a request is received, the headquarters staff will coordinate with other editorial board members to re-assign any outstanding papers and remove the resigning member from the board.

## Resigning reviewers

While reviewers cannot officially resign from the reviewer position, as they have not been officially appointed, there are ways that we can attempt to prevent future reviewer requests from being sent to them. For more information, please see our Unavailable Dates page.
