

ACS052, S054 SSSA REGIONAL BRANCH OFFICERS

A. Status: Officers of the Regional Branches of the Soil Science Society of America

B. Composition and Tenure:

The SSSA Committees for Regional Branch Officers are as follows:

ACS052 Northeastern Regional Branch (Connecticut, Delaware, Massachusetts, Maryland, Maine, New Hampshire, New Jersey, New York, Newfoundland/Labrador, Nova Scotia, Ontario, Pennsylvania, Prince Edward Island, Quebec, Rhode Island, Vermont, and West Virginia.)

S054 Western Society of Soil Science (Alaska, Alberta, Arizona, American Samoa, Baja California, Baja California Sur, British Columbia, California, Chihuahua, Colima, Colorado, Durango, Guam, Hawaii, Idaho, Jalisco, Montana, Nayarit, Nevada, New Mexico, Northwest Territories, Oregon, Saskatchewan, Sinaloa, Sonora, Washington, and Yukon Territory)

The Officers of each Branch, their duties, methods of selection, and terms of office are as specified in the Bylaws of that Branch.

C. Functions:

The functions of Officers of each Branch are specified in the Bylaws of that Branch.

On an annual basis, the branch presidents will be asked to file an annual report with the Society. The president at the time of the Annual Branch Meeting, for that year, will be the one to file the report.

D. Presidential Responsibilities:

The ASA President:

1. Makes no appointments regarding Officers of Branches or the Committees for their nomination.
2. Cooperates with the Officers of each Branch in any way to promote harmony and better functioning of the Society.
